

PROCLAMATION

BY THE

Governor of the State of Texas

41-395

REPRODUCED FROM THE
HOLDINGS OF THE
TEXAS STATE ARCHIVES

TO ALL TO WHOM THESE PRESENTS SHALL COME:

I have vetoed H. B. 478 which was passed at the recently adjourned regular session of the Texas Legislature.

Under the terms of this bill, the eleemosynary schools are directed by the Board of Control to use per capita apportionment funds for supplementing teachers' salaries.

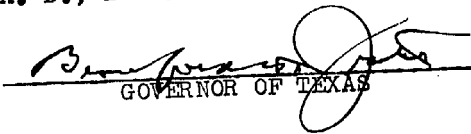

This equalization of salaries of eleemosynary school teachers and public school teachers has already been accomplished by the following provision carried in the Eleemosynary Appropriation Bill:

"In order to maintain scholastic standard comparable to the public school in the area where the State institution is located and in order that the children of the eleemosynary schools may have equal advantages in the quality of teaching as do the children of public schools, the Board of Control is hereby authorized to pay teachers from the appropriated funds of this bill on a basis equal to that being paid in the city schools in or near where the particular eleemosynary school is located. This rate of compensation shall include such rules and regulations on length of teaching service, educational accomplishments as apply in the local public school system.

"Inasmuch as the schools of the eleemosynary system operate on nine, ten, eleven, and twelve months basis, the above provisions shall apply to the nine month term. The Board of Control shall exercise its authority and best judgment in the operation of the summer school."

In view of the fact that the purpose sought by this act has already been accomplished by the Eleemosynary Appropriation Bill, there is no reason for putting this bill on the statute book and I have therefore disapproved.

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the 25th day of June, A. D., 1947.
